NEW! What Every Supervisor Must Know About OSHA – Construction.

This book is a “must have” for all construction supervisors. Easy to read, plain English, and an easy interpretation of the OSHA 1926 Construction Industry Standards. Each section covers the OSHA Standards in a more narrative version than the technical standards language. Includes interpretation letters, charts and diagrams, and chapter-ending quizzes to assist in understanding the standards.

Price: AGC NYS Members \$29 each

Non Members \$60 each

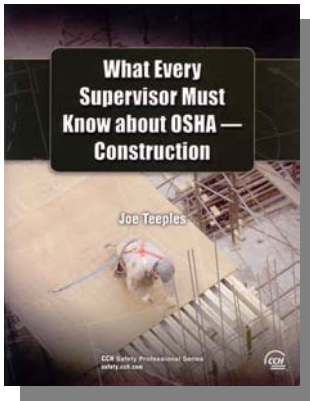

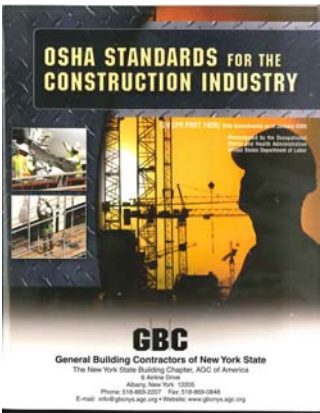

AGC NYS Jobsite Safety Handbook for New York’s Construction Industry

A pocket-sized guide to assist New York State’s construction industry in achieving an accident-free environment. Guidelines based on OSHA’s construction industry standards. It is not intended to be an all-inclusive list, but simply a synopsis of the items most commonly overlooked on the jobsite. **Updated June 2007.**

Price: AGC NYS Members \$1.50 each

Non Members \$4 each

Available in English
& Spanish versions.

AGC NYS PREVAILING WAGE RATE POSTERS

New York State law requires that all public works projects must have a sign posted on the site in a conspicuous location that reads “PREVAILING RATE OF WAGES” in two-inch block letters able to withstand adverse weather conditions.

The **Prevailing Wage Rate** posters meet these requirements.

A protective pouch is included that adheres to the poster and can hold copies of the latest schedules. Effective February 24, 2008 – NYS DOL requires the “Public Work Project” poster. This is included on the poster.

Price: AGC NYS Members \$14 each; \$12 each for 20 or more.

Non Members \$25 each; \$21 each for 20 or more.
